During your time to speak as a citizen you have constitutionally protected rights. You have an obligation to this country and your children to personally attack and tell council exactly how you feel about their TYRANNY.

Their FEELINGS and Decorum do not hold water when it comes to YOUR rights.

What you are not allowed to do is LIE (defamation of character) and threaten them with violence. Everything else on their list can kiss OUR A\$\$.

Force them to be honest or kicked them out of Your town.
